August 2005, Sofia (Bulgaria), Opening Lecture (with Marco Novarese) International Conference on Cognitive Economics: *The intermingling between cognitive economics and experimental economics: a few remarks on history, methodology and applications*.

July 2004, Perth (Australia), University of Western Australia, *Knowledge as a Path-dependence Process: Implications for Economics in an Hayekian Perspective*, Paper presented at the 17<sup>th</sup> HETSA Conference

July 2004, Wellington (New Zealand), *The intermingling between cognitive economics and experimental economics: a few remarks on history, methodology and applications*. Paper Presented at the NZAE Conference

June 2004, Siena, *Decisions without mathematics*, paper presented at the II, workshop on Economics and Mathematics

June 2004, Belgirate, *Neuroeconomics and path-dependence in a Hayekian perspective*, paper presented at the I Storep Conference

April 2004, Torino, *Cognitive economics*, Lecture to the PhD Students

November 2003, Jena: *Neurobiological Foundations of Hayek's Theory of Cultural Evolution*, invited speaker at the workshop Hayek and Cultural Evolution

October 2003 – Salerno, *Economia Cognitiva ed Economia Sperimentale* (with Marco Novarese), 44 SIE Conference

July 2003 –Great Barrington (U.S.A.), *Knowledge as a path-dependence Process: Microfoundation and Economic Implications*, invited speaker at the Symposium “Dewey, Hayek and the Embodied Cognition” organized by the Behavioural Research Council of the American Institute for Economic Research

June 2003 – Copenhagen *Change in an Uncertainty Enviroments: some Evidences from xpmerimental Economics* (con Marco Novarese), DRUID Summer 2003 Conference

March 2003 - Milan, *Procedures Towards Happines* (con Marco Novarese) Workshop: The paradoxes of Happiness in Economics

March 2002, St.Etienne, *Hayek and Lindhal on disequilibrium and expectations* (with Carlo Zappia)

November 2002: - Siena, *Economia Cognitiva ed Economia Sperimentale*: “Le metodologie di laboratorio in economia”

September 2002: Rovereto (TN), *Il cognitivismo tra gli economisti*, opening lecture to the conference "Economia e Scienze Cognitive"

June 2002: Rotterdam, *Cognitive Paths and Creativity in ArtEconomics*, ACEI Conference

May 2002: Roma, *Il ritorno delle emozioni: il punto di vista dell'economista*, conference Organised by AIF (Associazione Italiana Formatori)

June 2001: Torino, *A cognitive approach to individual learning: theoretical issues and some experimental results* (with Marco Novarese)

June 2001, Torino, *A cognitive approach to individual learning: theoretical issues and some experimental results* (with Marco Novarese)

May 2001, Lecce, *Il concetto di image nel pensiero di Kenneth Boulding e le implicazioni per la teoria economica contemporanea* (with Roberta Patalano), AISPE Conference.

May 2001, Padova, *Cognitive economics and the firm*

January 2001: Jena (Germany), *Subjective Diversity and Social Learning: a Cognitive Perspective for New Institutional Economics* (with M. Turvani),

January 2001 (University of Lecce): *Cognitive Economics in the History of Economic Thought*

November 2000: Alessandria, *Cognitive Economics*, introduction to the International Workshop on Cognitive Economics

October 2000, Nice (France) *The relevance of the cognitive approach to economics*

July 2000: Vancouver (Canada) *The Psychological Foundations of the Concept of Evolution in Hayek: a new Perspective for Evolutionary Economics*, HES meeting.

June 2000: Toronto (Canada) *Coordination and Learning in Economics* (with M. Novarese), University of York, Glendon College.

March 2000: Jena (Germany) Max Planck Institut, *The Economics of the Mind: Learning, Cognition and Evolution in Economics*

November 1999: ICER Torino, *Cognizione ed evoluzione in economia*

Agosto 1999: Cerisy La Salle (France), *Dependance du sentier de la connaissance.*

June 1999: Jena (Germany) Max Plank Institute, *Cognition, Economics and Institutional Evolution*

June 1999: University of Trento, Laboratorio di Scienze Cognitive of Rovereto, *Apprendimento e Cognizione nei processi economici*

June 1999: Ires - Piemonte Torino, *L'Economia Sperimentale, aspetti storici e metodologici.*

May 1999: Siena, *Mind and Choice in Economics*, Dipartimento di Economia.

April 1999: Trento: *Scienze Cognitive e teoria economica.*

March 1999: Alessandria, *Hayek e la conoscenza come processo path-dependent. Aspetti micro e macro*

February 1999: Valencia (Spain), *"Institutions meet mind: a way out of a deadlock"*

November 1998: Lisboa (Portugal) *"Institutions meet mind"* (with M. Turvani),

June 1998: Torino, "*Neural theory of social action*", (with P. Terna)

May 1998: Torino, Fondazione Einaudi, "*L'economia cognitiva: processi di apprendimento eterogenei e performance economiche*"

March 1998: Trento, "*Learning, decision making and economic performances*".

February 1998: Ivrea, "*La mente e l'agire economico*"

May 1997: Trento: *Comment on Brian Loasby, at the meeting "Routinization, Learning and Transfer of Skills"*.

March 1997: Torino, "*Creatività e Organizzazione: un binomio impossibile?*",

May 1996: Pisa, "*Economic Change, Subjective Perception, and Institutional Evolution*"

May 1996: Alessandria, "*Risorse dell'attività inventiva e processi di apprendimento*",

March 1996: Milano, "*The Economic Implications of the Neurobiological Approach for Decision Making in Economics*"

February 1996: Torino, "*Mutamento economico, percezione soggettiva, ed evoluzione istituzionale*",

November 1995: Torino, "*Analogie biologiche e teoria dell'impresa*", workshop: "Donne economiste".

June 1995: Camerino, "*La path-dependency nella teoria economica: il contributo di F. Momigliano*".

March - Maggio 1995: Torino, *Le nuove frontiere delle scienze sociali*, cycle of conference

May 1995: Stockholm, "*The Microfoundation of Path-Dependency*", invited paper at the Conference "Evolutionary Economics and Path-Dependence.

Maggio 1994: Torino, "*Processi mentali e insorgenza delle istituzioni*", Dipartimento di Economia.

Dicembre 1994: Modena, "*Il rapporto tra Mente, Organizzazioni e Istituzioni*",
